Jesus came to destroy the works of the devil

Leading into sin, for example

We are those who have died to sin; how can we live in it any longer?

because anyone who has died has been set free from sin.

Muscle memory of sin

Sin lays at the door. He freed us from our sins by His blood.

Titus 2

Freedom from the law is we don't take human effort and put it on the pedestal.

We don't bring it back to the equation, just because people might be different.

Get off our high horse, and not strapping our expectations on people.

Do you want to be healed?

Where your heart is.....

Hebrews 2

The temptation of Christ....look it up Matthew 4

We get physical depravity from Adam

Appetites are not sin

Sin is the willful transgression against the will of God.

It's not based upon performance,

"Where sin abounds, grace doth much more abound"

It's not a heaven or hell issue, it's a victory over sin issue.

Dear Lord, let me see the truth.

Blasphemy is: so hardening your heart, you lose your conviction.

Angry, what else...?

Deut 8:2

Our response to temptation reveals...

James 1:2, 3

God is developing me through opposition/trials/temptations

Judges 3:1

Psalms 144:4--trials 1. develop us, and 2. use us to advance God's kingdom on earth

These things are there so you can succeed.

“Refresh series”

Revival is a recurring theme: a fresh understanding of God and the nature of man.

AW Tozer said the most important thing to know about a person is their understanding of God

Changes in Judaism: Christ the Messiah, not under the Law, the Holy Spirit, more

In 2021, we have the blessing of the cultural changes God has opened up.

Caution: the emergent movement/

Sounds to me like Christ’s words are not forever in this philosophy.

Revival is a pruning(to me)

God uses declarations of his prophets as a catalyst to bring about His purposes.

Anytime God acts on Earth, he reveals it through prophets. Amos 3:7

God uses people inside and outside the Church

Mavis Staples documentary. Christians. Knew MIK, jr., who prophesied.

Revival is a new beginning of obedience to God.

What do you think God wants?

Our motive.

To glorify God

How would I define the Gospel?

REDEMPTION

The parable of purchasing the field for the treasure

The parable of the pearl and purchasing it.

A pearl is formed with an irritation.

The trials are working for us.

Psalms 139

We reproduce after our own kind.

Preach the gospel at all times, and if necessary, use words.

2 questions you can ask when sharing the Gospel

Do you mind if I ask you a couple of questions?

Have you come to the place in your life where you know where you would go, if you die tonight?

If you appeared before God, what would you say is the reason He lets you into His kingdom?

Matthew 6:22

Humanism v. Christianity

H: freedom is absence of law, subsequent bondage to self.

Christianity: surrender to the King of Kings leads to freedom.

H: Hope is in this life. Christianity: hope is in Jesus & eternity

H: death is the gateway to darkness/live as long as possible. Christianity: death begins eternal life with Christ and all those in His Kingdom.
